

## swisscovery University and PH Bern: research, request, download

### What can I find via swisscovery University and PH Bern?

- research platform: [ubbern.swisscovery.sisp.ch](http://ubbern.swisscovery.sisp.ch)
- Collections of around 500 libraries throughout Switzerland
- physical media (largely with courier delivery service): Books, specialist journals, newspapers, images, films, sound formats, music scores, maps, teaching materials
- Online resources

### How do I register?

- **New users:** <https://registration.sisp.ch/?iz=ube>
- Manual for registration: [ub.unibe.ch/services/faq/index\\_eng.html](http://ub.unibe.ch/services/faq/index_eng.html)
- Login in swisscovery: email and password of your SWITCH edu-ID

### How do I search for media?

- Enter search term(s) in the search field and select a search profile.

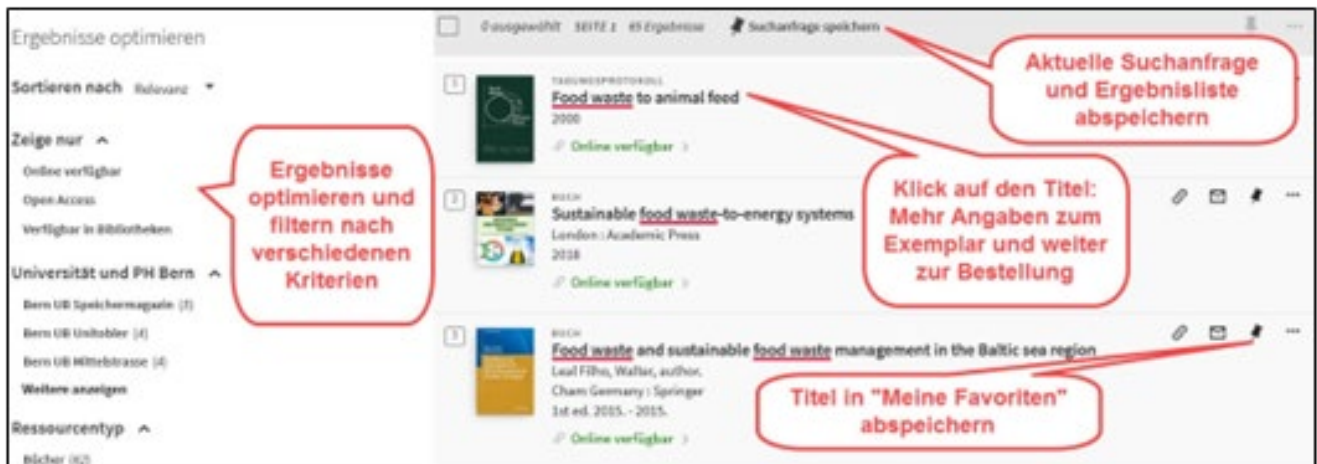

### How do I use online resources?

- To narrow your search results to online resources, use the **«online filter»**
- Full text resources are accessible on University of Bern campus and via VPN connection.
- If you use the **«open access»** filter, you have access to these online resources from anywhere, regardless of current location and institutional affiliation.
- You can find **E-journals** and **databases** in your subject in swisscovery in the menu item above the search bar.

## How do I request media?

- To request an item, you must be logged in: [ubbern.swisscovery.slsp.ch](http://ubbern.swisscovery.slsp.ch)
- You can improve the list of search results by choosing filters.
- Click on the desired title in the search results list.
