An orange arrow points from the code '56859538' in the SMS to the right. On the right, a web browser page titled 'Activation' is shown. It contains a green success message: 'Your e-mail address jane.smith@example.org was successfully verified and your SWITCH edu-ID account is now active. You should soon receive an e-mail message with further details.' Below this, it says: 'To confirm the Mobile Phone Number you provided, a message was sent to +41792345678.
